

“Feather Art Workshop”

Presented by Nancy Kimes, President: Chaparral Artists

DATE: Saturday, January 8, 2022

TIME: 11:30-5:30

LOCATION: The Center for Healthy Generations

57121 Sunnyslope Dr.

Yucca Valley, CA 92264

This workshop is based on Japanese style and techniques that are easy to do and very rewarding. This form of abstract/impressionism is instrumental in creating flow and energy which makes your art an expression of the soul. You will create works of art worthy of framing, and they will be conversation pieces

What you will learn:

Brush Making - using feather as brush and various handles from nature

Soul Imprinting your art - like a river running/meandering through it

Suminagashi – creating layers, marbling, and 3-D effects for soul growth

Collaboration Soul Group - creating a synergy of community and soul

All supplies are provided. A donation will be given to Chaparral Artists.
