This year, we're doing it again and introducing Collage! Assemblage involves creating three-dimensional art by assembling unrelated everyday objects, while Collage is a 2-dimensional arrangement of paper, cloth, ribbon, and paint to create unique visual and verbal textures. Digital Art relies on computer-based techniques like digitally woven photography, drawings, and compilations created on a tablet. Join us in exploring new perspectives by trying your hand at creating an assemblage or digitally manipulating or inventing new scenes while relying on AI and your verbal descriptions for this show!</p>
<p style="text-align: center;">October</p> <p style="text-align: center;">"A Celebration of Women" (members show)</p> <p>Take in day 1: October 17, 4:30-6pm Take in day 2: October 18, 12:30-2pm Take out day 1: November 14, 4:30-6pm Take out day 2: November 15, 12:30-2pm</p>	<p>The strength of women is a powerful presence, evident in their passions and the dedicated endeavors they embrace. In this exhibition, we honor and celebrate women, leaving it to each participating artist to express their unique tribute in two dimensions. We invite entries from all members—men, women, and children alike—to craft scenes that capture the resilience, love, empowerment, and nurturing essence bestowed by the women in their lives. Get creative and join us in commemorating the remarkable force that women embody.</p>
